Dear Rick,

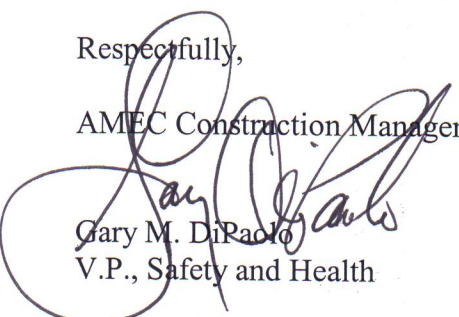

I would like to extend my sincere "Thanks" for a job well done by you and your staff at the Boston Logan International Airport, on the Hold Baggage Screening Project.

When AMEC Construction Management, Inc. called upon Compliance Safety Advocates, Inc. to provide project safety management to this Homeland Security fast track project, not only did you respond immediately, but personnel were on site within days and maintained the 24/7 schedule with the professional poise.

The professional expertise, excellent administrative controls, and team spirit contributed greatly to the success of this project.

Respectfully,
